Dear Parent/Carer,

OATs Photo the World Competition

Several of our pupils entered the OATs Photo the World National competition around a month ago. Last week we were thrilled to find out that one of our pupils, Aspen, came runner up for the Primary Academies with a beautiful photo she had taken of a Canadian lake. We will be displaying her picture in our academy entrance area for a time before she takes it home and proudly hangs it on the wall at home. It's great to see our pupil's achieving success with a range of talents.

Speed Stacking Competition

On Tuesday 28th November, some children from Haven were selected to take part in a SEND speed stacking event with other schools in the area. Around 100 children took part in the event hosted by East Norfolk 6th Form and got to play a host of games led by sports leaders from the college. It was a great event and all the children had great time.

DfE Behaviour Hub filming

On Tuesday 21st November we were excited to welcome staff from the Department for Education Behaviour Hub into the academy. They stayed the full day and filmed selected staff and children for a promotional video for the behaviour hub. The academy graduated from this programme last April and the success of this programme in creating a positive learning environment within the academy was well recognised by Ofsted. I look forward to sharing the video with parents once it has been completed.

Learning with Parents - Winter Warmers Competition

What do you need to do?

Complete **at least one activity** from every topic set for you on Learning with Parents this term.

When do you need to complete them by?

Friday 5th January

What do you win?

A certificate and a virtual badge!

Just a reminder of what children need to do as part of a competition running on LWP this term. Certificates will be awarded in our Friday Flying High assembly in early January.

We absolutely love seeing all the fantastic reading, maths and English that is happening at home and find it so helpful to read through the feedback we receive from pupils and parents. Thank you, parents and carers, for continuing to share your comments and providing feedback on your child's learning at home.

Reception Trip to the Gruffalo's Child, Norwich Playhouse

On Wednesday 22nd November, the children went to watch the performance of The Gruffalo's Child on stage. It was a fantastic day out and the children were exceptionally well behaved. We are all very grateful to Bespoke Norfolk who generously funded the trip (tickets and coach) for us.

Christmas cards lists

Unfortunately, due to data protection rules, we are unable to provide lists of names to parents to help with writing Christmas cards for classes. We can provide numbers of children in each class/year group (below) so parents know how many cards are needed, children can fill in the majority of the cards and then bring them into school where we will give time for them to write the names on the cards and hand them out.

Thank-you for your understanding with this.
