20th December 2023

Dear Parent/Carer,

Merry Christmas

In the heart-tugging finale of Charlie and the Chocolate Factory, Wonka unwraps the last bar of chocolate that his mum made for him before she died. Enclosed is a golden ticket with a message from her reading, "It's not the chocolate that matters. It's the people you share it with."

Over the last week or two as Christmas activities have taken centre stage at school, we have tried to encourage the children to value the time they have family and the traditions that different families have, rather than just the presents they receive.

I am thrilled that our pupils and families continue to 'give something back' and that we have raised an incredible **£643.69** in fundraising over the last few weeks. Our first ever Santa shop has been a huge success with 179 pupils purchasing items to give to their families and the Christmas craft fayre was another success. We are already looking at ways to make it even bigger and better next year, so any feedback that would help improve this event is much appreciated. Thank-you for all your support over this term and I wish you all a very Merry Christmas.

We look forward to welcoming pupils back to school on Thursday 4th January 2024.

After School Tennis Club

National Tennis Association have been delivering tennis coaching in schools in Norfolk since 2004. The after school sessions are a great introduction to the game and many of the county's most successful players started in our after school clubs.
