

12th January 2024

Dear Parent/Carer,

I would like to take this opportunity to wish you all a very Happy New Year!

It has been a brilliant start to the new term and we have had a bumper number of entries in the Golden Book already; this week's Flying High assembly was very busy! The children have settled well into the new term and have shown a positive attitude to learning, been following the academy routines and supporting each other. They are all busy learning their multiplication tables in a bid to rise to this term's Times Tables challenge. This week we have awarded our first Bronze certificate to one of our youngest pupils. Well done to Nasser in Rise class, who is our first bronze winner!

Now and Beyond – Mental Health Festival

On 7th February 2024, our school will join thousands of educational settings taking part in Now and Beyond - a free, online mental health festival providing invaluable barrier-free access to mental health resources.

There will be lots of activities taking place in classrooms throughout the day. This event is hosted by youth mental health charity Beyond (<https://wearebeyond.org.uk/>)

Enrichment Clubs

We still have some spaces available on our after-school enrichment clubs, including Games, Sports, Film and Pamper! For more information or to book, please contact the academy office.

Enrichment Survey

We will be sending out a link to an Enrichment Survey for Parents next week via Parentmail, the survey itself will only take 5-10 minutes and you could be in with a chance to win a £40 Amazon voucher! Keep an eye on your emails for more information.....
