Dear Parent/Carer,

Herring Bridge opening

It was fantastic to be a part of history this week as the whole school participated in the opening ceremony for the new bridge. We walked down to the new roundabout and after a short countdown watched the bridge lowered into place. After this, we joined a large procession of local community organisations and businesses that made its way over the bridge the back, waving to the public, the Mayor and local MP. The children were very excited and with such nice weather, the view as we crossed over was amazing. It was an honour to be part of and I reminded the children in assembly this morning that they can forever say they were one of the first people to cross the Herring Bridge. A huge thank-you to the staff and parent helpers and especially to Mrs Harvey who planned and organised it all.

Learning with Parents Survey - We are evaluating parental engagement with our home learning platform both in terms of using the reading log and completing homework.
