Dear Parents/Carers,

Reception – Water Play

A huge thank you to Mr Snailum (parent to children we have in school), who has kindly designed and built us some water play equipment for our outside area. He has done a fantastic job and we are all very grateful. The children are already having so much fun. We feel privileged to have such kind and generous people within our school community. Thanks to all of you that go above and beyond to support our children.

Year 6 SATs

Our Yr 6 children will be sitting their Standard Assessment Tests (SATs) next week. We are very proud of the effort made by our Yr 6 children as they prepared for these assessments. They have approached the challenge with a positive 'can do' attitude, working hard in lessons, attending booster sessions before and after school and joining in afternoon intervention groups. I would like to thank parents for the support that you have given your child as they revise and prepare. Next week, they will be completing a Grammar and Spelling assessment, Reading, Arithmetic and two Reasoning papers.

To enable the children to come into school and feel relaxed we are offering breakfast club each morning. The children will be able to come into school at 8:00am, via the main office, and enjoy breakfast with their peers. There will be no cost for this to parents. Please ensure your child gets lots of rest and sleep over the next few days to enable them to perform to the best of their ability. If you have any questions regarding this, please speak to your child's class teacher.

Please can we ask that all smart watches are not worn during this week. If worn, they will need to be handed into staff on arrival and will not be returned until all tests for that day have finished.

School uniform

As the weather finally starts to warm up, children start to remove cardigans and jumpers during the school day. I have spoken with the children about ensuring they place these in their lockers when not wearing them so that they don't get left around the building and end up going missing. Can parents please ensure **all items of uniform are named** as this makes locating lost property much easier.
