

17<sup>th</sup> May 2024

Dear Parents/Carers,

**Year 6 SATS**

We are very proud of the Year 6's efforts this week. The positive attitude with which they approached this challenge shows how much they have grown up over this year and showed that 'it can be done'. Thank you to parents and carers who have helped us by ensuring that the children have been in promptly and ready to take their tests. I would also like to thank all the staff who have supported the children and helped to make the week run so smoothly. A very well-deserved rest this weekend for everyone who has been involved.

**Reading Records**

Thank-you to all parents who responded to our survey about homework prior to Easter. The survey results clearly showed that the vast majority of you prefer to have homework in paper form. As a result of this, we will be moving from online homework and reading records to paper copies and reading record booklets. The first step in this process is setting up more traditional reading records which will start coming home next week. We will then turn off the 'Learning with Parents' online reading records over the May half term. After half term we will then add in other homework activities that can be completed on paper.

**Fundraising Event – 16/05/2024**

We would like to thank our Year 5 pupils for hosting an amazing fundraising event! Pupils enjoyed attending the 'fun extravaganza' – spending their money on tasty treats, games and more!

Thank you to all the staff involved and to our parents/carers for your support.

We managed to raise an amazing **£193.25!**

## It's Competition Time!

In June, years 3, 4, 5 and 6 will be taking part in a nationwide OAT competition. The competition is in collaboration with Sumdog. In preparation for this, ALL children throughout the academy have been provided with free access to Sumdog for a limited period of time. Even though children in KS1 are not entering the competition they still have access to all the resources and so can enjoy the games for free at home and school. Please encourage your child to take part. All they need to do is play the games.

## How to access Sumdog

1. You will need to get your login details from your teacher.
2. In the search engine enter [play.sumdog.com](http://play.sumdog.com)
3. Enter your username, password and school code.
