21<sup>st</sup> May 2024

Dear Parents/Carers,

I hope you are well.

I am writing to provide you with an update regarding our academy.

We are currently consulting with members of staff regarding provisional plans for restructuring classroom and administration support.

No decisions have been made but we are undertaking this consultation now as we are beginning to make plans for our academy's future admissions arrangements. These decisions are being made in collaboration with the Local Authority and are due to a number of factors, including population changes, both locally and nationally, including falling birth rates.

Our priority is ensuring our pupils have access to the very best education, opportunities and support so they fulfil their potential. I would like to assure you that there will be no impact on the quality of education we deliver. We are also making considerable considerations within our planning to keep the impact on current staffing arrangements to a minimum.

Once the consultation process is complete, we will share further information on any next steps, as and when these are confirmed. We will also endeavour to keep you updated throughout the process.

Our academy remains fully committed to placing the best interests of our pupils, colleagues and our community at the heart of all that we do. If you have any questions, please do not hesitate to get in contact with me.

Thank you once again for your ongoing support.

Yours sincerely,

Mr C Honey  
Principal
