## Year 6 - Newsletter

It is crazy to think we are at our final term in Y6!

The children have lots of very exciting events planned to end their time at Edward Worlledge - a term where they make lots of very special memories to keep with them as they transition to secondary school.

We start this term by continuing to plan and prepare the children for their KS2 assessments, whilst still delivering a broad and balanced curriculum.

SATS week begins on Monday 13th May, with the Spelling and Punctuation tests (SPaG.) The reading test will be sat on Tuesday 14th, with maths being tested across Wednesday 15th and Thursday 16th. A special SATs breakfast club will be provided, free of charge, on these four mornings where all the children can chat and relax before the tests begin.

For further information about the SATs tests please feel free to speak to Mr Smith or Miss Freestone or visit <https://www.gov.uk/government/collections/national-curriculum-assessments-key-stage-2-tests>

Year 6 is about more than just the KS2 tests, it's about celebrating everyone's achievements throughout their time as a 'Worlledger.'

Excitingly, the week of 20th May sees 30 Year 6's leaving school on their residential adventure - those of us remaining in school will enjoy some projects based challenges.

The annual Whitwell Hall residential begins the final half term, running from Monday 3<sup>rd</sup> June until Friday 7<sup>th</sup> June.

We will continue to enjoy the remaining few weeks, preparing for the transition to secondary school.

A number of visits and experiences have been pencilled into the diary for this time, culminating in the Leaver's Assembly and exciting second edition of Edfest - Year 6's exclusive mini one day festival!

Please keep an eye out for Parentmail messages with important dates and info regarding our final term together (details of trips, activities, etc).

We have had a great year so far - we are excited about the upcoming SATs as well as celebrating with you, your time at Worlledge!

The Year 6 Team 😊
