It is very important that all children attend all sessions as each one contains content which contributes to the children's knowledge around the topic studied which will feed into their final assignment.

This deadline is 11:59pm on 20th March 2025.

For their graduation they will attend a ceremony at a prestigious university somewhere in the UK. Where this will be held will depend on our availability on specific dates and travel time/distance. We have previously visited universities in Norwich, Essex and Cambridge. Details of this visit will be communicated later in the course.

I am really excited to be able to offer this programme again and I am looking forward to working with you and your child.

Yours sincerely,

Miss M Warner
Vice-Principal
