| <b>MUSIC</b>     |   |   |  |  |   |   |
|                  | <b>Musical Spotlight:</b> Pulse, Rhythm and Pitch<br><br>Music has a pulse, a steady beat. Music is also made up of long and short and high and low sounds, called 'rhythm' and 'pitch'. These elements combine when we sing and play. As you listen to, sing, play and dance to the music in this unit, explore these elements of music and how they work together.<br><br><b>Social Question:</b> How Does Music Help Us to Make Friends?<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, G, A | <b>Musical Spotlight:</b> Playing in an Orchestra<br><br>Playing together is a very important part of learning music. There are many ensembles, bands and groups you can play in. One of these groups is an orchestra. This unit features the orchestra - what can you learn about the orchestra?<br><br><b>Social Question:</b> How Does Music Teach Us About the Past?<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, G, A, Bb, B | <b>Musical Spotlight:</b> Inventing a Musical Story<br><br>Music is used for many reasons and can help us to tell a story and express our feelings. Music can be loud or soft, fast or slow, smooth and connected, or short and detached. We can also use instruments with different sounds to help communicate a story and different emotions. Explore the music in this unit and try to connect your feelings with what you hear. Do any of the songs tell a story? Use the music in this unit to explore loud and soft sounds.<br><br><b>Social Question:</b> How Does Music Make the World a Better Place<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, G, A, Bb, B | <b>Musical Spotlight:</b> Recognising Different Sounds<br><br>When voices or instruments work together to play different pitches that sound at the same time, we can hear harmony in music! Explore the voices and instruments used within the music in this unit to identify how and when harmony takes place. How many different instruments can you recognise in the songs in this unit?<br><br><b>Social Question:</b> How Does Music Teach Us About Our Neighbourhood?<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, G, A, Bb, B | <b>Musical Spotlight:</b> Exploring Improvisation<br><br>Explore improvisation a bit further in this unit. Perhaps use two or three notes and have a go playing or singing on your own. Explore and have fun!<br><br><b>Social Question:</b> How Does Music Make Us Happy?<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, G, A, Bb, B | <b>Musical Spotlight:</b> Our Big Concert<br><br>Put on a big concert! Present your choice of songs to create a performance. Remember to introduce the songs and tell your audience what you have learnt.<br><br><b>Social Question:</b> How Does Music Teach Us About Looking After Our Planet?<br><br><b>Musical Learning:</b> Singing and listening are at the heart of each lesson. Play, improvise and compose using a selection of these notes: C, D, E, F, F#, G, A, Bb, B |
