

WE NEED YOUR HELP!

Parent's & Friends Association

Can you help with fundraising ideas and activities for our parents' association? We need several committed, caring and creative parents to join our PFA.

They help to provide the funds needed for our pupils to have the wide variety of experiences and activities that we believe they all deserve.

Please let the academy office know if you can help with fundraising activities and meet with other parents once a half term to plan these events.

Parent Governors

We have space for 2 parent governors on our Local Governing Body. It is important that parents have input into our governors' meetings, if you are interested in finding out more about the role of the governor and what is involved, please contact the academy office.
